### Additional Horizontal Spool Pin

Makes it easier for twin needle work, and even holds that larger reel of thread.

### 2 Banks of Wide Angle White LED Lighting

Offers greater illumination for all your sewing projects.

### Automatic Buttonhole Foot with Stabilizer Plate

Uneven layers of fabric are no longer a problem. Simply attach Buttonhole Foot (R) into the Stabilizer Plate to ensure perfect buttonholes every time. Buttonhole Foot can be used without Stabilization Plate.

### Easy Set Bobbin

Simply drop your bobbin into the bobbin area, guide the thread through the channel and you're ready to sew without the need to pull up your bobbin thread.

### User friendly LCD screen and 30 direct select stitch keys.

Spend less time looking for your stitches and more time sewing. Each Stitch Key has an LED light, activated when stitch selected.

### Extension Table

Standard accessory with machine, provides extra support for all your quilting and sewing projects.
