Embroidery

It's easy to add professional-style embroidery to garments, accessories, home decorating items and more without hassle!

Backlit LCD

It's all at your fingertips. Quick design selection, on screen editing, extra designs available via USB memory key and software.

Bright LED Light

A bright LED light gives you a clear view of your embroidery area.

Square hoop

Huge embroidery base to support your larger projects in the 140mm x 140mm square hoop. Also 50mm x 50mm hoop available as an optional accessory.
