

# JANOME

MECHANICAL SEWING SERIES

S509

## S509 Features

Magnetic horizontal full rotary hook	Adjustable foot pressure
7 built-in stitches including 4 step buttonhole	Convenient one-hand thread cutter
Convertible free arm for circular sewing	Quick foot conversion
Accessory storage	Drop feed dog lever
Extra high presser foot lift to allow easier placement of thicker fabric	

### Magnetic Horizontal Full Rotary Hook

Jam-proof, magnetic, top-loading full rotary hook system that eliminates the bobbin case for convenient bobbin insertion, removal and cleaning. Thread is visible below the transparent hook cover plate.

### Accessory Storage

Sewing accessories are conveniently stored underneath the machine.

### Convertible Free Arm For Circular Sewing

The detachable sewing table easily slides out of the way to reveal the free arm – so handy for sleeves, cuffs, and hard-to-reach areas.

### Convenient One-Hand Thread Cutter

Since threads are cut neatly, you can easily start sewing again, without the trouble of tangled threads or an unthreaded needle.

### Drop Feed Dog Lever

For attaching buttons, free-motion quilting, darning, etc., simply slide the lever to drop the feed dog.

### Quick Foot Conversion

Just press the lever to remove the foot. To attach, lower the presser foot lifter to snap it into place.
